

Region 13 ECP Data Sheet

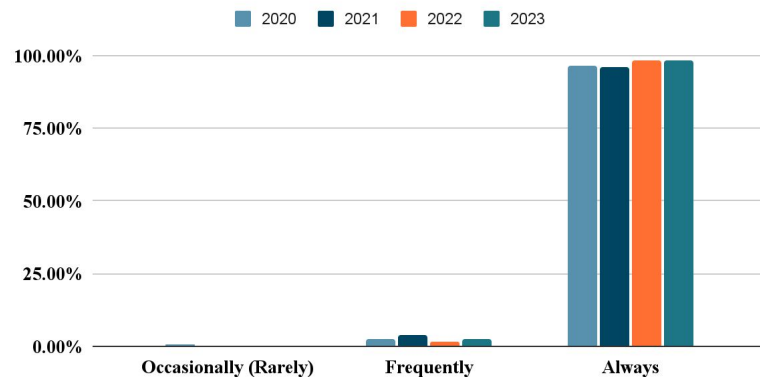

Region 13 ECP is a state-accredited alternative certification program, trusted by both districts and teachers. Our curriculum is carefully designed to ensure your success as a teacher. Our programs focus on providing high-quality instruction and support, including test prep and field supervision in your first year of teaching. We have received commendations from the state of Texas for the exemplary support that we provide in the Austin area and across the state. Our test passing rates range from 90% to 97% across the program (graph A). The Field Support exit survey results indicate that approximately 98% of ECP teachers agree that their field supervisor consistently met the quality standards (graph B). And read below a few testimonials from ECP-certified teachers!

ECP Teacher Testimonials

"ECP provided me with the practical knowledge and skills to foster a loving and effective learning environment for my students. They provided a clear roadmap that laid out each step of the certification process, and made it easy for me to know what was coming and how to achieve it. I am so grateful for Region 13 for turning a long-time dream into a reality for me. Teaching has been the greatest joy of my life so far!" - Bailee, 3rd Grade Teacher

"ECP gave me the skills to excel this past year. The program gave me the tools to run an effective classroom and to truly enjoy becoming a teacher." - Trevor, Construction Technology Teacher

"ECP definitely helped prepare me to pass my certification exams and transition into the classroom. Because of ECP, I had a good sense of what I should expect in a teaching career. My cohort leader and field supervisor made me feel exceptionally supported through their instruction and observations, and I saw immediate success when I applied their feedback!" - Peyton, Middle School English Teacher
